CR298-00053-001

ORDER

The Court, having reviewed the above-named defendant's motion for a judicial recommendation for placement in a community confinement center for a period of four (4) months, hereby denies said motion based on the Bureau of Prisons' policy concerning an inmates Privilege Preparation Date, formerly known as good time. According to this policy, the defendant is not eligible for placement in a community confinement center until December 13, 2005. The Court finds no compelling issues that would warrant a judicial recommendation to the Bureau of Prisons to amend its policy regarding Privilege Preparation Date as to this defendant.

SO ORDERED, this 11th day of October, 2005.

Anthony G. Adams
Judge, U.S. District Court
